The activities will help teachers to explore the role of creativity in the classroom both in the sense of helping students to express their unique creative identity and also by helping them to think about and use language in a creative way.

### **Creativity in the English language classroom ...**

Language structures. The term language structure refers to what students say: the phrasing, key words, and grammatical usage that students acquiring English will need in order to participate in a lesson. Like language functions, language structures exist in both oral and written communication. Whereas language function is the "purpose" for talking, language structure refers to the "what"—the ...

The Association of Two-Way & Dual Language Education (ATDLE) was formed into a national organization in 2013 having been part of a state organization for over ten years.

### **ATDLE - The Association of Two-Way & Dual Language Education**

What? The use of target language refers to all that learners say, read, hear, write, and view – production and reception of language on the part of learners, educators, and materials. ACTFL recommends that learning take place through the target language for 90% or more of classroom time except in immersion program models where the target language is used exclusively.

Literature has been a subject of study in many countries at a secondary or tertiary level, but until recently has not been given much emphasis in the EFL/ESL classroom.

### **Teaching materials: using literature in the EFL/ ESL classroom**

Groups of deaf people have used sign languages throughout history. One of the earliest written records of a sign language is from the fifth century BC, in Plato's Cratylus, where Socrates says: "If we hadn't a voice or a tongue, and wanted to express things to one another, wouldn't we try to make signs by moving our hands, head, and the rest of our body, just as dumb people do at present?"
