

The Lapins Cra Tins Tome 4 Gribouillages

The sword opens with Aunt Polly crossing the house in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom runs out dramatically, "Look behind you!" and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects carefully on Tom's mischief and how she lets him get away with his work.

Tom crosses home at supper time. During supper, Aunt Polly discovers and scolds Tom for his mischief. Tom's half brother, Sid, tries to help Tom, but Aunt Polly is satisfied, and Tom has earned the right to go to school the next day.

Tom goes out of the house to play the streets of St. Petersburg. Tom and the new arrival, Huckleberry Finn, choose the adventures all the way home.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirty clothes and decides to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Tom passes by, and Tom tries to get him to do some of the whitewashing in return for a "white alley," a kind of excuse. Tom almost agrees, but Aunt Polly appears and chases him off, leaving Tom alone with his labor.
